

Tami Zevenbergen – President

Katie Seward – Vice President

Jeff Parnel – Outgoing treasurer

Abbie Long – Incoming treasurer

Brooke Freestone - Secretary

Karen Troughton – PLUSS Liasion

Hawk Cramer – Principal

General meeting agenda – Tami introduction; Hawk speech; Jeff budget; art docent program; call for volunteers

Tami – President – Plan for General Meeting Back to basics – website, art docent, school beautification; really stress partnerships with teacher

Jeff – Treasurer – Plan for general meeting - Focus on bigger items, Storage Shed, Income is the walkathon, Motion to approve

### **President Discussion Points**

Website update with Dzana Kovar and Jennifer Kiernen – include login for art docents

General meeting agenda – Tami introduction; Hawk speech; Jeff budget; art docent program; call for volunteers

Worried that everyone is feeling burnout

Volunteers are committing to family fun night and hopefully talent night – must thank Ms. Thurston

We need to recognize staff for contributions to big events – Like Ms. Stromerson for Raven Racers

Wendy and Sarah are doing popcorn again – aiming for 23<sup>rd</sup>

Raven Racers starts next week

Wednesdays at Spirit Days – wear colors

Dry Box – District agreed to pay for half the container; including lighting; full bid \$5,245; We already have shelving; desk station/ workspace for volunteer; need to coordinate placement, delivery, and electrical hookup; Hawk will be the contact for the delivery; PO and issue check; delivery happens pretty quickly; it would be great to get the container delivered before Oct 4<sup>th</sup> so volunteers at Beautification Day can help move things off the stage

Beautification Day – Flower World donate mulch; need to sort out weed barrier; rock project for Spring, Hawk's idea - kindergarten families would add rocks to the garden each year

### **Treasurer Discussion Points**

Now that district is contributing, we have room in storage budget should we need shelving, etc

Art Docent up to \$3,000; Dads and Moms budget up to \$600

Walk-a-Thon increased to \$3,500

Playground equipment as been paid for

Carryover \$4,000 from busses and field trips last spring

Check \$840 from Edukits

Uncashed checks might be considered unclaimed property on tax returns; need to contact the person and reissue them

We will end the year with a balance of \$35,000 and we are projected to lose \$10,000 each year – need other fund raising ideas

Raffle ticket for the parking spots? Possible springtime raffle for parking spot, Day as Principal, etc.

Box Tops – Have changed; now it is an online thing; Mrs. Bonner will help with it; Tami is going to investigate; ok supporting student government

Nicole Graham Mathers doing the ink cartridge

Ways to supplement fundraising

### **Librarians – Amy Rogers and Tamar Wilson**

All School Read Aloud

When it ended last year they did surveys all grades 1-6; trend with all of them

This was the first year

Tamar Wilson's family has done a few with Machias

Snow storm complicated the kickoff – there was supposed to be a Skype assembly and kickoff

There were weekly questions and books as prizes

Author resources – Suzanne Selfors; University Bookstore;

Results from Student, Teacher and Family surveys – Kids loved it; especially the author visit; had not done author visits in years

Budgeted \$4,000 last year; came in at \$3,000 because we got nonprofit status for purchasing

Scholastic hype man coming in January

Cathcart is doing it for the second year

Fundraising ask for donations at the Book Fair; round up transactions; have a barrel for donations and kids put their name on the wall

Assemblies budget – Character trait assembly;

Board will get back to the library with a decision
